Reel can be used on ground while cart serves as hand truck

Wheel guards permit handling of large objects

Reel can be hung on wall for use or storage

- 3½' nylon-reinforced leader hose with solid brass fittings and positive mechanical hose clamp.
- Puts no weight on home copper water pipe.
- Water flows in continuous line through hub of reel while hose is reeled or unreeled.
- "PresSURE" precision-engineered water seal of machined brass with neoprene "O" ring, gives non-binding, water-tight and leakproof performance.
- Spring wire retainer has finger-grip for easy assembly and removal for greasing.
- Needs minimum lubrication.

Hydro Jet* WATER BROOMS

The new, faster, easier way to clean walks, terraces, patios, lawns, pool decks, driveways and garages.

Three spray jets in a 17" base deliver water where it's wanted, in a flat, wide, efficient, concentrated spray that moves sand, leaves, debris quickly and easily. It **washes** as it **sweeps**, cuts hosing time in half. Water valve on handle can shut off water on back pull, leaving area damp-dry.

Ideal for overhead watering or spray-washing of trees and shrubs.

- **Three spray jets clean 18" width with full water pressure.**
- **Chrome finish pistol-grip shut-off valve on handle controls water flow.**
- **Two 2" swivel casters glide smoothly, maneuver easily over lawn, brick, concrete or macadam.**
- **Forty-eight-inch long Water Broom puts water spray in hard-to-reach areas.**
- **Light (3 lbs.) easy to lift for overhead watering or foliage washing.**

Three spray jets in 17" base give HydroJet Water Broom a wide, efficient water-spread that sweeps leaves, debris, sand from patios, lawns, pool decking.

PORT-A-WALL TOPPER 500

The new high-styled Topper 500 sets the pattern for the latest in tire styling . . . dramatically transforming blackwall tires to a look of elegance. The new Bearfoot attachable sidewall features two white strips, ¾" and 3/16" wide separated by a narrow band of black. Made of 100% Butyl rubber, the Topper 500 is manufactured in quality standards for which all Bearfoot Port-A-Walls are known and respected. The proven power of the Port-A-Wall name makes the Topper 500 a top sales item. The Topper 500 converts reversed old-style whitewalls to the latest O.E.M. look and gives black snow tires the matching look.

Like all Bearfoot Port-A-Walls the new Topper 500 has been engineered to fit tight to the tire contour and is guaranteed to stay white for the life of the tire.

The Topper 500 has won the best new rubber product award of the NAAPE.

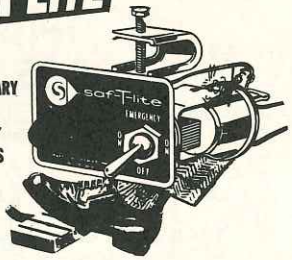
SAF-T-LITE



CONVERTS ORDINARY STOPLIGHTS TO *Flashing* SAFETY LIGHTS

Flip the switch —**For Stop-Light Action!**

Changes stop-lights to blinking lights every time your toe touches the brake pedal. Commands instant attention . . . slows up the guy who's breathing down your neck . . . makes him keep his distance . . . discourages dangerous "tailgateing" . . . helps prevent rear-end collisions!

Flip the switch —**For Road Emergencies!**

Changes stop-lights to blinking emergency lights. Acts as clearance light when double-parked. Does away with cigarette lighter plug-in lites, batteries, magnets and lengthy wire!

Flip the switch —**For Trouble Shooting!**

Blinking dash light indicates normal battery, generator and regulator operation. "Dead" light indicates defective brake switch, stop-lights or wiring!

SAF-T-LITE operates independently of directional signals. Connects in 5 minutes to stop-light wires. No holes to drill . . . no tools needed. Clips to the dash on all domestic and imported cars, light panel trucks . . . 6 Volt or 12 Volt systems.
